## SENIORS ONLY

BLUE ZONE FEE PARKING FEE \$55.00  
PARK AGAINST THE WALL ONLY

## JUNIORS AND SENIORS

TEMPLE CHAI PARKING – NO FEE  
PARK IN DESIGNATED AREA ONLY

Please drive safely and responsibly! How we drive and park reflects the name “Christian” to our neighbors and particularly at Temple Chai. Drive and park as someone who understands the biblical mandate to be a good neighbor. (See Matt. 19:19, Rom. 13:10)

Valid parking permits must be placed in the front windshield of the driver’s side bottom left corner so that we can notify you in case of a problem and regulate the lot as to keep non-permitted parkers from using the spaces you paid for.

### TEMPLE CHAI

All students must enter and exit the parking lot off of Marilyn Avenue through the yellow gate located on the northeast side of the lot. Do not drive through their property at any time; Temple Chai has children attending Day Care and are concerned for their safety.

Please remember that the parking privilege at Temple Chai is vital to those juniors and seniors who drive to school. If we ever lose the privilege to park at Temple Chai, the student driving privilege would be severely restricted. When in the Temple lot, please be at your best behavior.

### PARKING REGULATIONS

1. Students must register their cars in the High School office.
2. The speed limit is five (5) miles per hour on school property and at Temple Chai.
3. Student parking is limited to assigned parking areas in the Blue Zone against the west wall only and at assigned parking areas at Temple Chai.
4. Vehicles should be locked at all times. There should be no loitering in the parking lot. Students should take care not to leave valuable items visible in their vehicles.
5. Students may not go to the parking lot during the school day unless a faculty member accompanies them.
6. Music played on car before or after school should not be so loud as to be heard at neighbors’ homes.
7. Student vehicles must be removed from the Temple Chai parking lot by 3:15 pm each day.

**\*\* Violations could result in losing your privilege to drive and park at school. \*\***

Please sign this form stating that you agree to park only in the designated areas, will follow all regulations stated on the SCA Student Driving and Parking Regulations form, and will park in the neighborhood only as a last resort. Park only in acceptable parking areas or you risk being ticketed or towed. Please do not block driveways or the ability of city garbage trucks to access the trash bins of our neighbors. Parking is **not** allowed on the sidewalk.

I understand that SCA has designated a parking area for students (with a parking permit) against the west wall and at the north end of the Blue Zone and at Temple Chai. I agree to park only in these designated areas and not to park in other areas on campus or in faculty or visitors areas. (Student parking is not permitted in White or Red Zones.)
