

ACOMA NORTH CAMPUS (FORMERLY TEMPLE CHAI) PARKING REGULATIONS/AGREEMENT

Sign and submit by August 9, 2023 to khewitt@scamail.org or bring it to Walk-through Registration.

SENIORS ONLY

PARKING FEE \$85.00

South lot on the Acoma North Campus.
Park in Assigned Space Only.

JUNIORS AND SENIORS

NO PARKING FEE

Northeast lot on the Acoma North Campus.
Park in the Northeast lot only, not in lane
closest to the Language School.

Please drive safely, slowly, and responsibly! How we drive and park reflects the name "Christian" to our neighbors and those who use the Acoma North Campus. Park as someone who understands the biblical mandate to be a good neighbor. (See Matt. 19:19, Rom. 13:10)

Valid parking permits must be placed in the front windshield of the driver's side bottom left corner so that we can notify you in case of a problem and regulate the lot to keep non-permitted parkers from using the spaces you paid for.

North Campus Free Parking (North End)

All juniors and seniors parking in this lot must enter and exit the parking lot from/onto Marilyn Avenue through the yellow gate located in the northeast corner of the lot. Do not drive through the Acoma North Campus property at any time. There are children attending the Language School who will be dropped off/picked up during the day. Please put their safety first.

North Campus Paid Parking (South End)

Seniors may choose to park in the South Parking Lot at the Acoma North Campus for a fee of \$85.00. This is the lot closest to Acoma. Parking places will be individually assigned to seniors only. Entry and exit directions will be announced closer to the first day of school. **Please remember that parking at the North Campus is a privilege.**

Carpool (Blue Zone)

There are 12 carpool spaces in Blue Zone for seniors and juniors. Seniors who carpool 3 or more days per week will have priority. Sign up at Walk-Through Registration.

Electric Vehicle Charging Stations

These stations in Blue Zone will not be available for students to use during the school year. They are for employees only.

PARKING REGULATIONS

1. Students must register their cars in the High School Office or at Walk-Through Registration.
2. The speed limit is five (5) miles per hour on school property which includes the Acoma North Campus.
3. Student parking is limited to assigned parking spaces in the South Lot of the Acoma North Campus for seniors who paid the parking fee and completed the parking form and to the Northeast Lot of the Acoma North Campus for the juniors and seniors who completed the parking form for the "no fee" parking area.
4. Vehicles should be locked at all times. There should be no loitering in the parking lot. Students should take care not to leave valuable items visible in their vehicles.
5. Students may not go to the parking lot during the school day unless a faculty/staff member accompanies them.
6. Music played in a car before or after school should not be so loud as to be heard at neighbors' homes.

**** Violations could result in losing your privilege to drive to and park at school. ****

Please sign this form stating that you agree to park only in the designated areas, will follow all regulations stated on the SCA Student Driving and Parking Regulations form, and will park in the neighborhood only as a last resort. Park only in acceptable parking areas or you risk being ticketed or towed. Please do not block driveways or the ability of city garbage trucks to access the trash bins of our neighbors. Parking is NOT allowed on the sidewalk.

I understand that SCA has designated a parking area for students (with a parking permit) in the south and northeast lots of the Acoma North Campus and also in the designated carpool spaces (for only those with a carpool permit) in Blue Zone. I agree to park only in these designated areas and not to park in other areas on campus or in faculty or visitor areas.

Student parking is not permitted in White or Blue Zones.
