Limited enrollment: maximum 14 students to ensure social distancing. All supplies sanitized before and after use.

Does your child love to explore and create? Want to inspire your child's creativity? SCA provides a fun, supportive environment for your children to develop creativity, stretch their imagination and learn concepts and techniques using acrylic and watercolor as our medium. They will work on paper, multiple canvases and also create an incredible sculpture. In our after-school program, we incorporate art history into our students' drawings, paintings, mixed media, and sculptures. Hands-on art projects are carefully designed to ensure a successful outcome no matter what your child's age or ability. We will meet once a week for 2 hours. Students will work on more than one project at a time and build on those creations over the 6-week schedule. Please have your child bring a healthy, peanut free snack for our short break time at the beginning of class and after class pick up is from the classroom.

For further information please contact Crystal Cruse at extension #30503. I look forward to adding to your child's artistic development. I believe that art is meaningful, creativity is valuable and that creation is God's great masterpiece.

Crystal Cruse

# REGISTRATION FORM

Class registration is limited to 14 students per class, so please turn in your forms as soon as possible.
